

IT'S NOT WISDOM
to wait until you meet with an accident and then regret that you are not insured.

IT IS WISDOM
to get the insurance now. Then if you are injured the policy will prove a benefit you will appreciate for fair. The more you think about it the surer you'll be that an accident policy is a good thing to have. Especially when it costs so little. About how big a one shall I write for you?

A BRIDGE OF HUMAN BODIES
Is the Actual Feature in the Remarkable Melodrama, "The Span of Life" to Appear Here November 23.

The deservedly long-lived and remarkable melodrama, "The Span of Life" will be presented at the Traders Grand opera house next Wednesday, Nov. 23. The author, Mr. Sutton Vane has written many successful plays including "The Cotton King" and "Human

With "The Span of Life" Company.

ity," but none have achieved as lasting a success as "The Span of Life." Whether this is in account of its excellent presentation, its interesting story or its unique and marvellous mechanical effects, or the human bridge, is difficult to determine. The management, however, in keeping the standard up to the original, deserve all the success they achieve. The famous Donazettas are with the production. A "bridge of human bodies" is in itself a novelty, but when this human footway is suspended in mid-air across a raging cataract, the spectator is thrilled and astonished. This is an actual feature on "The Span of Life."

SWEET MELODY FLOUR.
A Chance for Northern Farmers.
Are you tired of our cold northern winters, with their sickness and disease? Are you tired worrying over the danger of a crop failure and consequent financial ruin? Are you tired of working hard all season without a fair financial return on your efforts? Do you want to avoid all this, and live in a country where the air is always balmy and the climate healthy; where crop failures are unknown and financial troubles vanish; where land can be bought cheaply and taxes are almost nothing; where churches and schools are plentiful and the country thickly settled? All of these advantages can be secured along the lines of a double tracked railroad, and with the greatest markets in the United States at your very door. A postal or letter addressed to the undersigned will bring you FREE OF CHARGE, descriptive matter and full particulars.
